Job Summary:

We are seeking a talented and detail-oriented **Technical Content Writer** to join our team. The ideal candidate will have a minimum of **1 year of experience** in technical writing or content creation within the IT sector. This is a great opportunity to work in a dynamic and collaborative environment.

Key Responsibilities:

- Create clear, concise, and accurate technical documentation, user guides, blogs, and articles related to IT products and services.
- Simplify complex technical concepts for a general audience, ensuring content is easy to understand.
- Collaborate with subject matter experts to gather information and translate technical details into easily digestible content.
- Develop SEO-friendly content that boosts online visibility and drives traffic to the website.
- Ensure all written content is grammatically correct, well-structured, and consistent in style.
- Contribute to creative writing initiatives, bringing innovation to content creation.

Requirements:

- **Minimum 1 year of experience** in technical writing or content creation, preferably within the IT sector.
- Strong understanding of technical concepts and the ability to explain them in simple terms.
- Excellent written communication skills with a keen eye for detail and accuracy.
- Experience in crafting SEO-friendly content for web platforms.
- Ability to adapt and venture into creative writing to make content more engaging.
- **Availability to work from the office** in Pune.
