

Job Title : Motion Graphics Designer and Video Editor
Location : Pune, Maharashtra
Employment Type : Full-time Work from office
Experience : 3+ years
Company Name : PibyThree Consulting Services Pvt Ltd
Website : <http://pibythree.com>

About Us :

Piby3 is A Cloud Transformation company enabling Enterprises for Future. We are nimble, and Highly dynamic focused team with a passion to serve our clients with utmost trust and ownership. Our expertise in Technology with vast experience over the years helps client get Solutions with optimized cost and reduced risks.

Job Summary:

We are looking for a creative and talented Motion Graphics Designer and Video Editor to join our dynamic team. In this role, you will be responsible for designing visually stunning motion graphics, editing videos, and creating multimedia content to enhance our brand's storytelling and communication.

Key Responsibilities:

- Create high-quality motion graphics and animations for various platforms, including social media, websites, and advertisements.
- Edit raw video footage to produce polished and engaging final cuts.
- Collaborate with the creative team to conceptualize and execute visually appealing designs.
- Incorporate sound effects, music, and voiceovers to enhance video content.
- Stay updated with the latest trends in motion design, video editing, and related technologies.
- Ensure all content aligns with brand guidelines and project objectives.
- Manage multiple projects simultaneously and meet deadlines.
- Optimize videos and graphics for web and social media platforms.

Requirements:

- Proven experience as a Motion Graphics Designer and Video Editor, with a strong portfolio.
- Proficiency in software such as Adobe After Effects, Premiere Pro, Photoshop, and Illustrator.
- Strong understanding of animation principles, video production, and editing techniques.
- Experience with 3D animation software (e.g., Cinema 4D, Blender) is a plus.
- Ability to conceptualize and execute creative ideas.
- Excellent attention to detail and a keen eye for aesthetics.
- Strong time-management and organizational skills.
- Ability to work independently and collaboratively in a fast-paced environment.

Preferred Qualifications:

- Degree in Graphic Design, Animation, Multimedia, or a related field.
- Experience in creating explainer videos, product demos, and promotional content.
- Knowledge of video codecs, formats, and post-production workflows.

What We Offer:

- A creative and inclusive work environment.
- Opportunities for professional growth and development.
- Access to cutting-edge tools and technologies.
